

**INFORMATION FOR THE PRESS****Baku , 18.06.2021****Training on "Securities Issuance and Listing Advisory Program on the Baku Stock Exchange" was held jointly with ADA and Khazar Universities.**

In an online masterclass to be held at ADA University on June 17, 2021, Baku Stock Exchange (BSE) specialists conducted a training on capital markets with the participation of ADA and Khazar University MBA students as guest trainers..

During the training, the BSE made a presentation on listing and issuance of securities on the stock exchange, the advantages of listing and the Listing Advisory Program. It should be noted that the BSE regularly organizes trainings on capital markets in cooperation with educational institutions that are partners of the Listing Advisory Program. The main purpose of such trainings is to support the training of personnel with theoretical and practical knowledge of capital markets.
